For us as Christians, the 66 books, 1,189 chapters, 31,173 verses of the Bible are important, powerful and necessary. The Word of God needs to be integrated into every part of our lives (Deut. 6:5-9), be something we mediate upon day and night (Josh. 1:8), and be something that is even more important than the food we eat (Job 23:12; Matt. 4:4). The Bible can transform us (Rom. 12:1-2; Eph. 4:23) as it cleanses (Eph. 5:25-27) and sanctifies us (John 17:17). It is vital to every Christian.

A great goal is to read through your Bible every year or every two years. If you read 3 ½ chapters a day, you will complete it in just one year. As you read, you can cross off the chapters on this plan, alternating between the Old and New Testaments as you desire.

May God richly bless you in this adventure with Him!
